

QUALITY, ENVIRONMENTAL AND OCCUPATIONAL RISK PREVENTION POLICY

The Management of Grupo Negratín has established the following Integrated Quality, Environment and Occupational Risk Prevention Policy in accordance with the latest versions of the standards UNE-EN-ISO 9001, UNE-EN-ISO 14001 and OHSAS, respectively.

This integrated Policy defines the fundamental framework for:

- Maintaining the Integrated Quality Management, Environment and Occupational Risk Prevention System that has been implemented, as a reference for all of the workers of Grupo Negratín, in the execution of their activities.
- Reduce accident rates to the lowest possible levels.
- Offer service that is oriented towards our customers, fulfilling their requirements, speeding up the response to those requirements, and obtaining a high level of satisfaction.
- Increase awareness of all workers of Grupo Negratín in regard to environmental protection and respect.
- Promote worker participation and information, effectively complying with the right to consultation in regard to Occupational Risk Prevention.
- Involve our workers, with their contributions, in the achievement of ongoing improvement, promoting a spirit of participation in the process of planning, organising and developing the Integrated Quality Management, Environment and Occupational Risk Prevention System.
- Select, evaluate and supervise our suppliers as part of our Integrated Management System.
- Comply with the legal requirements that apply to the activities carried out by the company, as well as with the requirements signed with third parties or agreed upon with our clients.
- Carry out activities in such a way as to reduce the environmental impacts associated with our processes, especially those related to waste management and consumption of natural resources.
- Provide the resources required to achieve the defined goals and objectives.
- Adopt the commitment to prevention of contamination and prevention of injury and deterioration of health, integrating these concepts into our work procedures and methods.
- Ongoing evaluation of environmental impact and risks to worker safety and health as a result of the actions carried out in Grupo Negratín.

GRUPO NEGRATÍN guarantees that all of the Organisation's workers understand this Integrated Policy.
